

Principal: Mr. Ojeda

Instructor: Ms. P. Sharma/Room 215

## SUMMER PROJECT – INCOMING 11<sup>TH</sup> GRADE

---

**Due on the First Day of School.**

CCLS: ELA-Literacy.W.11-12.1.A  
*Introduce precise, knowledgeable claim(s), establish the significance of the claim(s), distinguish the claim(s) from alternate or opposing claims, and create an organization that logically sequences claim(s), counterclaims, reasons, and evidence.*

Welcome Incoming juniors! . You will be taking the CompTIA Strata certification. You will be taking this certification towards the end of your junior year. Its best you prepare yourself for the course by learning and researching more about the course. Include a bibliography. Your task is to write a three paragraph research paper. Use the following format:

### Paragraph 1 – Introduction to Strata

- What is the Strata™ IT Fundamentals Technology Test?
- What is Certiport?
- What is CompTIA?

### Paragraph 2 – Test Specifications

- Which skills or concepts does the Strata IT Fundamentals test cover?
- For which age groups and populations is Strata IT Fundamentals appropriate?
- How long does the Strata IT Fundamentals exam take to complete?

### Paragraph 3 – Benefits

- How is this offering different from the IC<sup>3</sup> Certification?
- How is it different from the A+ Certification?
- How does the Strata IT Fundamentals exam fit into your career pathway
